THE 1984 EL EXPLORADOR IS PROUDLY DEDICATED TO:

LARRY HAYS

and His

FAMILY

We salute Larry, Nell, Daren, Shannon, Bandi, Justin, and Melanie Hays for being a part of our lives at LCC. They have contributed to the college with their energy, their spirituality, their positive and pleasant ways, and their overall Christian attitudes. Larry and his wife, Nell, who were high school sweethearts, have been married 19 years and have five children, three boys and two girls. Larry said, "All of them are active. I spend my time trying to keep up with them, like a normal father. I go to their contests and take part in what they are doing,

whatever it is. My goal is to be part of their life."

While Larry Hays is constantly described as honest, he's also very straightforward. He describes his wife as "the best thing that's ever happened to me. She knows when it's my busy time and she knows how to handle it. It takes a talent to do that."

Larry Hays has almost as much feeling for his baseball teams as he does for his family. Hays has been coach of the baseball teams at LCC for the last 13 years during which time he has averaged 43 victories each year.

During the 1983-84 season he saw his team win the 600th game of his career. The contest against New Mexico State University, a 14-0 victory, supplied him with his 600th win.

Larry Hays fell in love with baseball as a kid when he listened to major league games on the radio. He played baseball in school and in college. It is one of his great loves of life. He said, "I personally believe that anyone who doesn't realize his dependence on God is wrong. If coaching doesn't teach you that you're not the answer nothing will."

IN MEMORIAM

TRACI YOUNG

Traci Young was killed in an automobile wreck in Lubbock early in the Fall Semester. She was President of LOA social club and a member of the Baseball Belles.

We miss her smile and her cheerful personality. She has blessed our lives with her energy and spirit.

PAUL SHERROD

Paul Sherrod died on October 9, 1983. He served as the founding Chairman of the Board of Trustees of LCC and as an Elder for many years at Broadway Church of Christ and at Greenlawn. He was best known for his personal work in saving souls.

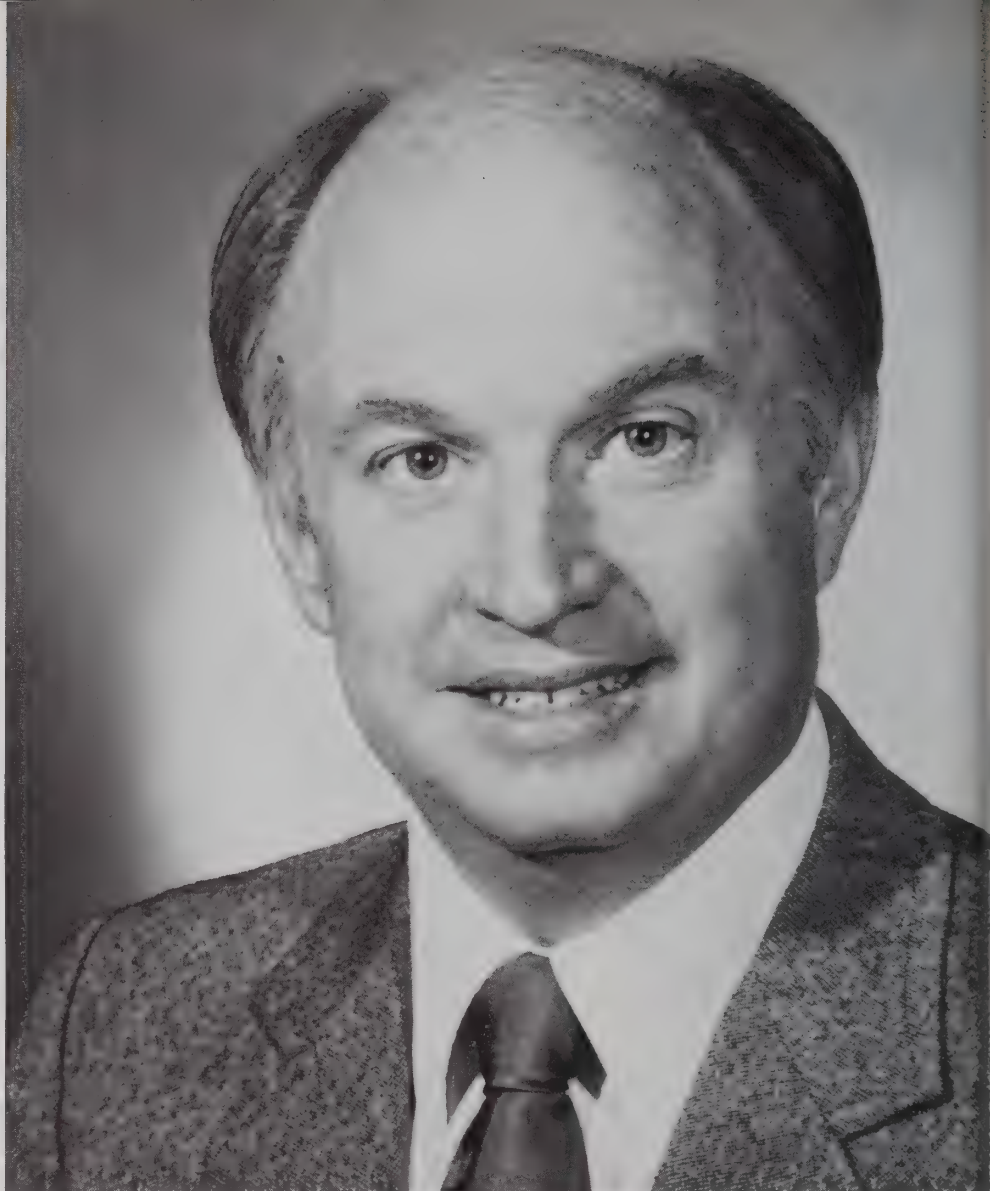

DURWARD HENDERSON

Durward Henderson died July 26, 1983 as the result of a fall he suffered while painting his house. He was a master repairman and plumber at LCC for many years. His smile is missed. He was the most dependable person to help at any time of the day or night with the most unpleasant tasks. He was a great example.

PRESIDENT LEMLEY

Dr. Steven Lemley continues to serve LCC with dignified enthusiasm. His pleasant ways and his wisdom have brought harmony and progress to our college. He and his wife, Emily, are great assets to their own family, to the school, but also to the greater community of Lubbock and to the church at large.

Dr. Lemley speaks for civic clubs, arts groups, church lectureships, college lectureships, youth organizations, business groups and social clubs. He is always on the go and is always helping. His involvement is always positive and necessary. We salute Dr. and Mrs. Lemley for a job well done, and we wish them continued success.

JOHNSON HALL

ASSOCIATES

The LCC Associates is a group of ladies across the South Plains of Texas who have supported the college in numerous ways since the beginning. They have conducted a Gift Fair before Christmas each year that raises over \$10,000 each time.

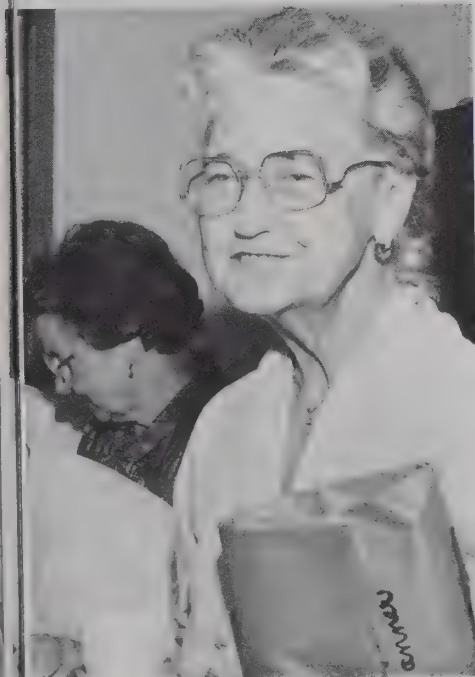

Their yearly dues, the sale of Associates Cookbooks, a spring garage sale, and a pie booth at the South Plains Fair are other ways the good ladies bring money for their projects on campus. Their refurbishing the men's dorm was a real blessing this year for the men in Johnson Hall. Ruth Reinsch served as President of the Associates this year. Molly Keener was First V.P., Jamie Horton, Second V.P., and Emily Lemley, Third V.P.

Dickie Hay, Julia Steele, Floyce Preston, Nadienne Cannon, Ruth Garner and Molly Keener

Julia Steele, Jamie Horton, Delta Brewer, Altha Mack, Shirley Thompson, and Mary Tanner.

CHAPARRAL BASEBALL

The LCC Chaparrals wanted to repeat their NAIA Baseball Championship from the 1983 season, but after a very successful 1984 season, the team had the misfortune to lose two games to Dallas Baptist in the District VIII Tournament and were stopped before they could reach the World Series.

Our team was ranked No. 1 in the final poll of the regular season, and they were expected to go "all the way." The season did have its sweet moments. The Chaps beat the University of Texas at Austin 3 of 4 games, they beat the team from Texas Tech University 7 of 8 games, and they beat the NAIA power team from Grand Canyon College in 4 of 5 games. The Chaps won every series of the season except the last one that counted the most.

CHAP CAGERS WIN 18 OF 28

The Chaps had to forfeit their first seven wins of the first semester because of an ineligible player on the team.

Their record officially was 11-17 but they actually won 18 of 28. They ended the season on a winning streak by winning four straight crucial games and five of their six before playing in the first game of the District 8 Playoffs.

The Indians of Dallas Baptist smashed the Chaps in the NAIA playoff game though LCC ended the regular season with a 41.1 Index for fourth place in the final Dunkel ranking compared to Dallas Baptist's 40.7 Index and their fifth place ranking.

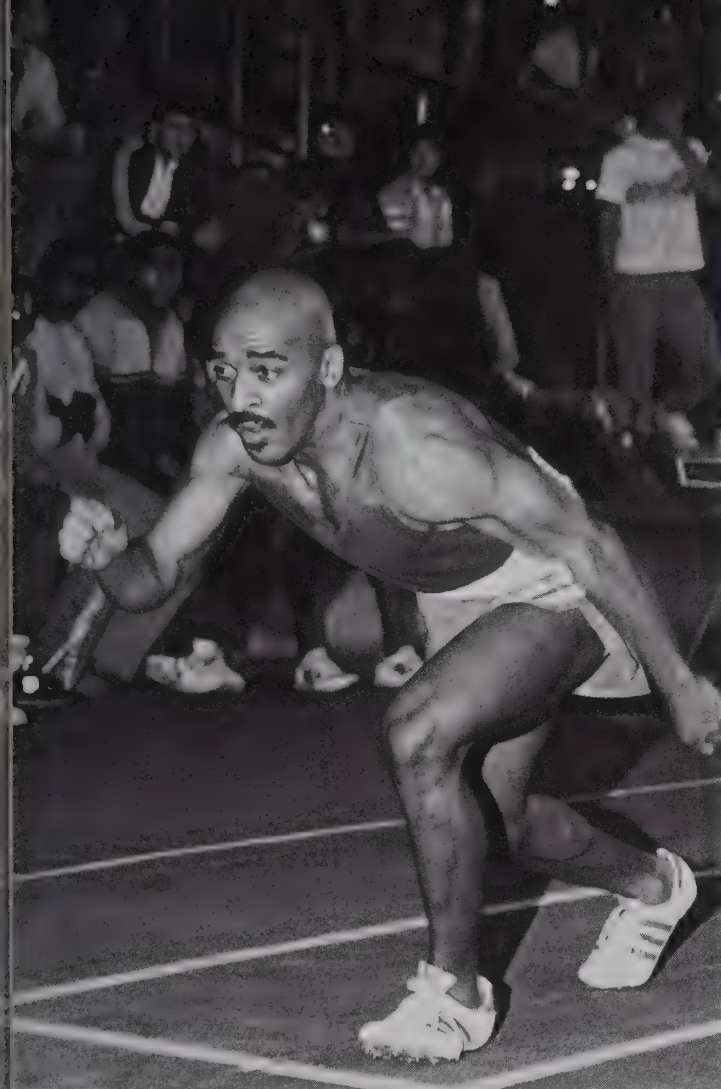

Harold "York" Jones, Honorable Mention All-American and Dist. VIII's NAIA MVP.

LCC TRACK

The LCC Track Team took third place in the Eastern New Mexico University all-comers meet held April 28, 1984. Our team scored 76 points to finish behind crosstown rival Texas Tech University and Abilene's McMurry College.

Glen Parham won the 110-meter high hurdles with a time of 14.2 while Brad Davis took first in the discus with a heave of 134.9.

Parham also finished second in the 400-meter intermediate hurdles with a time of 53.4 and the mile relay team took second.

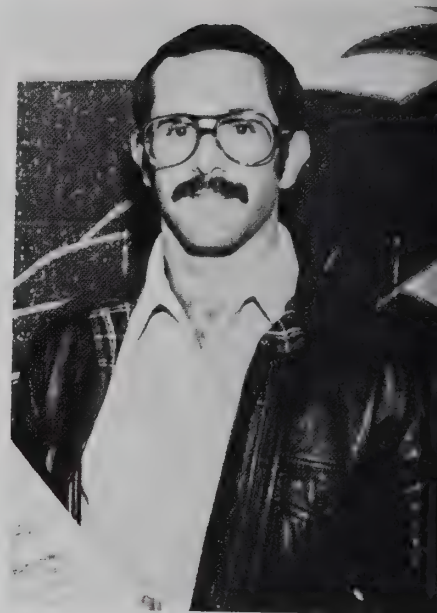

Mike Williams' time of 2:02.7 was good enough for third place in the 800 meters while Clay Davis placed third in the 5,000 meters with a time of 17:34.0.

Field event specialist Larry Moorhead took fourth place in both the javelin and pole vault, throwing the javelin 168 feet and clearing 13 feet in the vault. Sprinter Billy Taylor, shown right, took another fourth for the Chaps with a time of 11.1 in the 100 meters.

Russell Johnson claimed a fifth place in the 400-meter event with a time of 49.9.

Earlier in the year the cross country team grabbed second place in the NAIA district 8 meet at the University of Dallas. Wayland won the meet with 56 points to LCC's 43 points.

THE NEW TENNIS CLUB EMERGES ON LCC CAMPUS

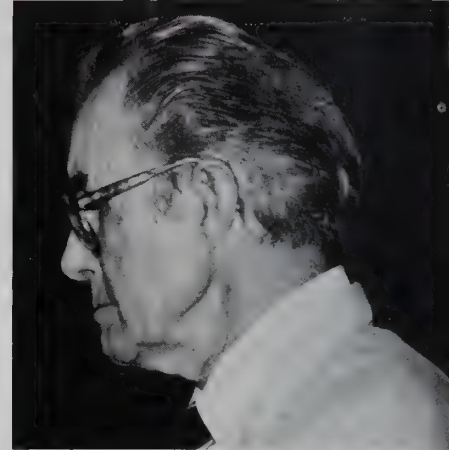

The Tennis Club met each Monday and Tuesday of every week to practice and play among themselves.

The Club was organized during the Fall Semester. They played indoors during bad weather, and in the open courts the rest of the time. The Club purchased T-shirts with their own distinctive insignia on the upper left side of the front.

The Club's sponsors were Coach Hugh Rhodes, Coach Larry Rogers, and Charles Cox from the Music Department. The sponsors practiced and played right alongside the student members.

PRESIDENT'S AMBASSADORS

1983-1984

by
MELISA TATUM

President's Ambassadors is a service organization established several years ago to help with recruiting activities and public relations duties. This year this group grew to a larger number and participated in more activities than ever before. Also, for the first time ever, Freshmen were asked to join this group during the second semester of school.

The activities for the Presidents Ambassadors started with a dinner and organizational meeting in September at Dr. Lemley's home. Some of the major activities of the Ambassadors was to attend dinners in area towns and recruit students. The Ambassadors went to the following towns: Brownfield, Dumas, Hobbs, Lamesa, Plainview, Roswell, and Tulia. These dinners were arranged by the LCC admissions office.

Presidents Ambassadors helped with LCC high school days in both October and February by registering prospective students and giving campus tours. The Ambassadors also dealt with high school students in three other activities. First, the Ambassadors individually arranged "Ice Cream Sup-

pers" in the Sudan, Crosbyton, and Vandelia churches. These events were held after the Sunday evening services. Second, several Ambassadors attended a High School Career Day held at the Lubbock Civic Center and visited with prospective students. Third, the Ambassadors were asked on several occasions to house students visiting on campus.

Finally, the Ambassadors were in contact with the LCC Alumni. Approximately thirty-five Ambassadors met with Alumni in October to talk about school activities, discuss recruiting procedures, and conduct campus tours. The Ambassadors also attended class reunions held in the Spring Semester.

The Ambassadors met about once a month to organize activities. This group had a very busy and productive year. The outstanding job performed by this group of students will not only help LCC this year but in the future also. Melisa Tatum and Jana Rogers served as coordinators.

STUDENTS IN FREE ENTERPRISE

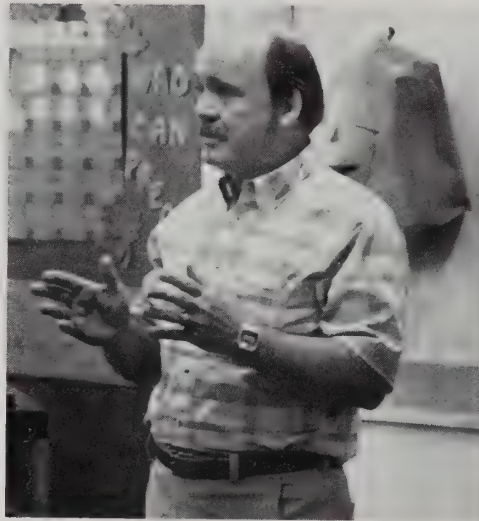

Ten LCC Students in Free Enterprise, who completed the fourth year of SIFE on our campus, reached an estimated 400,000 community and area citizens this year through radio and TV spots, billboard signs, newspaper items in the *Lubbock Avalanche Journal*, computer presentations at the South Plains Mall, the Speakers Bureau, and through campus publications, bulletin boards, and posters.

They attended a seminar in Houston, enlisted 21 Lubbock business and civic leaders for their advisory board, hosted our state representatives on campus, and registered 200 people on campus to vote in this year's elections.

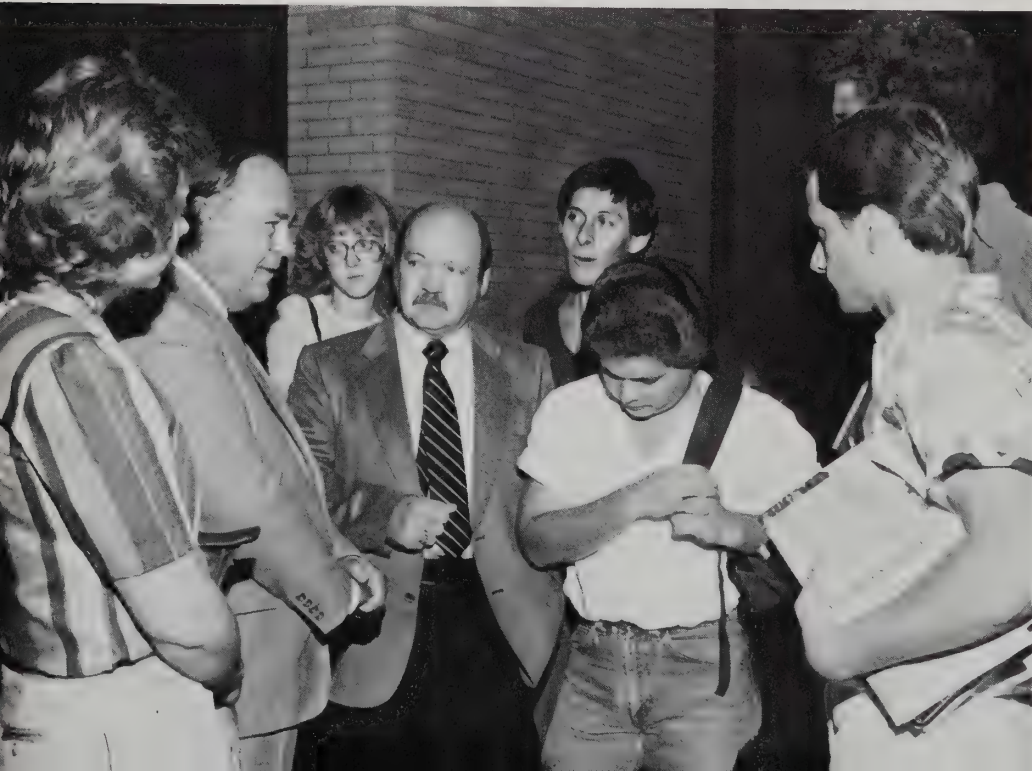

Dick Laird, Sponsor of SIFE, led the students in a practical demonstration of America's economic system with "The Chocolate Factory."

Gorman Report Unjustified

by Lamar Thompkins

All of us know the frustration of being unjustly criticized. It is difficult to change a person's perception of integrity, especially if one can profit from being so subjective. LCC faces this predicament, considering the impact of the 1983-84 Gourman Report. This report surveys the nations' colleges and universities to determine which school has the "most" to offer, based upon their number of students, age, endowment, and the ACT and SAT scores of its enrollees. An article in the *Avalanche Journal's* February 14 issue listed the findings of Dr. Jack Gourman, the author of the report, who teaches political science at California State University at Northridge. According to Gou LCC has the lowest ranking for 1 private colleges.

Dr. Lemly spoke candidly about Gourman investigation: "The report done by one man with a few assistants for the purpose of commercial success. It is not part of a recognized group, government otherwise. The New York Times conducts a survey which

Bureau in Washington, comments that "Anyone who would rank big institutions like Michigan over institutions like Swarthmore, Reed and Catelet Colleges for undergraduate programs simply has no idea what he is doing".

Dr. Lemly went on to criticize Gourman's criterion for his survey: "Based upon size, age, and number of faculty publications, the large university has an edge already, regardless of everything else. Dr. Gourman doesn't know the broad spectrum. He does not consider the quality of teaching and the success of an institution's alumni. It's ridiculous to line up schools like horses and judge them. Every college has a different

goal is to push for excellence in a Christian

Despite one man's success, our student's success sector provide proof in the form of the LCC

The President spoke at the *Avalanche* mentioning them of their views.

LCC did well in being represented on the District and State levels. John Sheppard will serve as the new District President, Betsy Johnson as editor and

Job Market

Open To Business Majors

by Adrian Cal

Students enrolled in colleges and universities all over the country are worried about the type of career opportunities they can look forward to once they receive their degrees. The students here at L.C.C. are no different. However, the students in the Business Administration Department have several job opportunities in four different major fields of study.

Those majoring in Accounting, can go into private or public accounting firms. Business Administration majors can look forward to professions in Corporate law, Management,

Banking, Sales and even ownership of their own businesses. As our society moves toward Hi-Tech, students gifted enough to major in Computer Applications have a bright future ahead of them. These lucky students can find employment as Systems Analysts, Business Managers and Computer Programs. Also students majoring in Secretarial Science can find work as Executive secretaries, office managers and other related fields.

To assist students in finding potential employment, Dr. Christa Dobbs, Chair person of the Business

Administration Department, gets exclusive information from companies in search of future employees. Dr. Dobbs, also uses contacts at Texas Tech University. Dr. Dobbs really cares about finding her students employment.

LCC INSTITUTE OF WATER RESEARCH

(WATER PROJECT)

In November, 1978 the largest research project in the history of the Environmental Protection Agency was awarded to LCC Institute of Water Research. The Lubbock Land Treatment Research and Demonstration Project was designed to be the standard to the world for the reuse of wastewater. The wastewater irrigation system encompasses over 6000 acres of privately owned agricultural land.

The project funded the construction of a water distribution system to the Hancock Farm north of Wilson. Research of wastewater's effect on soils, crops, and people is conducted in our research labs.

Visitors from Brazil, China, Poland, and elsewhere have come to study our project. The eleven million dollars spent on the project is money well spent.

Dr. Elton Cook and Gene Hancock survey the huge project.

ACTIVITIES

Again this year, the senate elected a "staff member of the month" to be presented with a plaque of appreciation during daily chapel. At Halloween the Senate sponsored a scary movie and an open house at Katie Rogers Hall which featured a "trick or treat" tradition.

On a regular basis the Senate sponsors a movie once a month, and a devotional in the Moody Lobby each Monday night.

The Senators are a big help when the campus is host to special events when visitors come to High School Days, Lectureship, World Mission Workshop, etc.

Weekly meetings are held each Wednesday at 5:00.

CHAP BRIGADE

The Chap Brigade is an organization dedicated to humor, service, and boost school spirit on the L.C.C. campus. Its unabashed behavior on stage, field, and court has earned it widespread recognition among students and faculty alike. Either loved or hated, the Chap Brigade strives to make L.C.C. a better and more enjoyable place to be. Officers this year were Kevin Rhodes, Pres., Tim Perrin, VP, Rick Stephens, Treas., and Rich Dolan, Sec.

Chap Brigade Members:
David Fisher, Dave Fultz, Greg Knight, Bruce Williams, Keith Huey, Alvin Stamps, Rich Dolan, Barry Bertola, Tom Jarvis, Bart Pruitt, Gordon Clark, Kent Jackson, Vance Reaves, Jon Farr, Jon Randall, Kerry Rhodes, Lincoln Smith, Rodney Curtis, Bodie Teague, Sponsors: Les Perrin, Larry Rogers, and Reagan Fletcher

AGGIE ACTION

The LCC Crops Judging Team went to Chicago in November to the Nationals. There, they competed with 19 large universities from across the United States. LCC was the only small college in the contest. This was LCC's fourth time to compete on the national level. It generally takes five years for a team to become competitive, but our team did a fine job this year.

Out of 600 points in the contest, Monti Vandiver scored 527, only 43 shy of an All-American rating, Shonnye Autry scored 496 and Paul Thornton scored 499. Kirt Martin is their coach and teacher. Martin said that this contest in Chicago was worth the hard work that went into preparing for the contest.

CHORUS FESTIVAL

On October 15, 1983 twenty-six years worth of A Cappella and Meistersingers exes presented themselves to once again be under their beloved directors, Brother Charles Cox and Dr. B. Wayne Hinds. The festival began as approximately one hundred exes met for a reception in the Betty Hancock Campus Center. The exes were greeted by Brother Cox and Dr. Hinds along with the present officers of each chorus.

Saturday morning a continental breakfast was held in the Moody Lobby. Following the 10:00 devotional, the group arranged themselves in rehearsal formation. At noon they broke for lunch.

The reunion was much more than singing. After lunch the present chorus members gave a style show of past chorus uniforms.

The grand concert was held at Broadway Church of Christ on Sunday afternoon with a chorus of over 250 voices. For awhile the chorus exes felt as though they had returned to their youth and the present members felt as though they had gone to heaven!

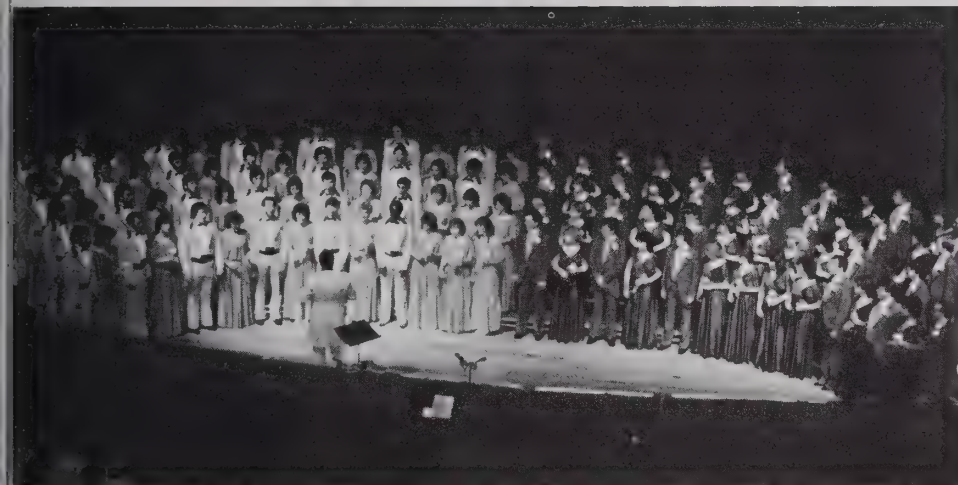

JOINT CHORUS

A Cappella and Meistersinger choruses begin each school year with a retreat at Ceta Canyon, north of Lubbock where they stay for four days of fun, fellowship, and hard work.

The choruses throughout the year join together in a variety of occasions. At special dinners, at the graduation exercises, at choral festivals, at Lectureship, at Homecoming Chapel, and at civic functions, the choruses blend their voices in praise to the Lord and in encouragement for fellow Christians.

At the Christian College Choral festival at Abilene Christian University, at the start of the Spring semester, LCC choruses joined nine other Christian Colleges in a giant song fest in Cullen Auditorium. Our choruses sang two songs for the group.

CHAMBER ENSEMBLE

The Chamber Ensemble consisting of Becca Bryant, Glenn Bowen, Elizabeth Burcham, Ruth Holmes — Director, Gary Moyers, Darla Criswell, Arlan Privitt, and Becky Walker, were joined by two Tech Professors, Dr. Kellog and Dr. Stoune, to present their Spring Recital featuring the inauguration of the new Zuckermann French Double Harpsichord.

The instrument's maker, Karl Sundsvold, and the donors, Dr. and Mrs. Harlan Giles, were present at the concert to hear the beautiful music that the students and faculty made. Dr. Lemley presented the donors with a framed poster of Musical Instruments of the Eighteenth Century.

MUSIC MASTERS

ON STAGE AMERICA, a live musical production designed to showcase American artists was performed by the Music Masters on Oct. 15 and 22, 1983. The Jazz Band served as back up group. The proceeds from *ON STAGE AMERICA* went to the LCC Music Dept. for use on tours and for equipment.

FRIENDS ARE FRIENDS FOREVER . . .

"Best Friends" was started last summer with charter members Lane Lawrence, Laurie Luker, Rachael Hise, Bart Pruitt, Gary Moyers, Sherri Spelce, Dana May Miller, and Kendell Burton. They toured with their founder, John Paul Blankenship throughout the Western United States.

The fall of 1983 and the beginning of a new school year brought a few changes to Best Friends. First of all there were several new members. Sherri Spelce, Gary Moyers, Monica Coppinger, Joan Blais, Brian Williams, John Coats, Janet Jarvis, and Mike Hettick made up the new group. They toured and even made tapes throughout the school year. This summer they toured the Northeastern United States.

The men reflect what the school stands for by recruiting students to LCC through music.

"Kenny" and friends sang "Happy Birthday" to Mary Mason.

BILL WAUGH VISITS LCC

Bill Waugh, founder of Casa Bonita, Inc., and currently the Chairman of the Board and Chief Executive Officer of the restaurant chain, visited the campus and spoke to students and teachers on separate occasions. His address to the teachers and staff centered on the role of the servant in today's world. His educational background at Abilene Christian University and his venture in private enterprise qualify him to speak on the subject with much authority and experience. He was well received.

JOG-A-MANIA

Jog-a-mania, what a grueling, painful event! Yes, Chaparrals, September was an unforgettable month for the joggers of LCC. Some contestants were victorious and some suffered the agony of defeat. The event was held at the LCC track. 75 people came out to run and raise money for the school. 18 faculty members and 57 students ran.

Jim Spratlin raised the most money for the staff; Kenée Littlefield for the students, David Bowie, a Senior, won the grand prize, the use of a car. There was over \$10,000 raised which was used for the restoration of the LCC fieldhouse.

Freshmen are often very scared as they enter into college. To lessen this fear LCC has a program called Orientation to "orient" the student into college.

While learning about themselves, and their families, the freshmen meet the people who are going to be their best friends for life.

The whole Freshman class is divided into several "state" groups. In these states the incoming students learn about

campus policy, how to psyche out a teacher, and directions to the various class buildings on campus. They are involved in projects of making posters, discussing fears, problems, and goals, and the final big project — FRESHMAN FOLLIES!

Orientation is a very important part of the freshman year and the students remember it always.

FRESHMAN FOLLIES

Freshman Follies is an annual event put on at the first of the year by the incoming freshmen. It marks the end of a long week of orientation.

The hosts and hostesses for the 1983 Freshman Follies were: Chuck Munoz, Scott Robinson, Kara Mills, and Patti Cash. The Follies' includes songs and skits and is a very memorable event.

LECTURESHIP

LCC's Annual Lectureship took place on campus in October, 1983. The theme of this year's Bible Lectures was "Life in the Spirit" with the Evening Speakers: Darrel Rickard, Jimmy Jividen, Jim Mankin and Ken Dye, and Chapel Speakers: Jerry Lawlis, Randy Fenter, and Mike Myers.

The Lectureship included daily classes, the Spanish Lectureship, Ladies Program, Challenging Verses, Panel Discussions, and Special Events.

The Special Events were a Ladies' Day Luncheon in the Greenlawn Fellowship Hall, a Preachers, Elders and Deacons Dinner with Jerry Rushford speaking on the topic, "Like Fire In Dry Stubble," concerts by the Meistersinger Chorus, the A Cappella Chorus, the Royal Blue Band, and "His Image" Singers.

An all-singers chorus was conducted in the Broadway Church of Christ.

THE WILLSON-MORRIS LECTURES

NORMAN KEENER

The Fall lecturer, Dr. Norman Keener, is from Nashville, Tennessee. He spoke five times on the general topic: "The Seasons of Your Life." Dr. Keener's knowledge and expertise in relationship skills and their scriptural foundations made his messages especially relevant.

Dr. Keener served at LCC from 1963-1976 as a teacher and as an administrator, including being Academic Dean for eight years. It was good to have Dr. Keener return to campus for his messages and to reestablish old ties.

Dr. Keener teaches at David Lipscomb College, and he serves as an Elder at the Brentwood Church of Christ.

DOUG PARSONS

The Spring Lecturer, Doug Parsons, is from Midland. He spoke five times over the two-day period on the subject, "Present Tense Christianity."

Students were impressed with his positive approach to life.

Doug Parsons presently preaches for the Golf Course Road Church of Christ in Midland. He is a graduate of Oklahoma Christian College and Harding Graduate School of Religion in Memphis, Tennessee. In addition to preaching, he has served as Chaplain for the Oklahoma State Senate's 1976 session. He is a member of the National Speakers Association.

During his three years at Midland the church has grown from 800 members to 1800. He conducts a weekly TV program, "The Good Life," and daily one minute radio spots.

YOUTH MINISTERS SEMINAR

"The 1983 Youth Ministers Seminar was presented at the Broadway Church of Christ October 17-20."

"Lynn Anderson, pulpit minister for the Highland church in Abilene, Texas, delivered the keynote lesson each day of the seminar. His powerful and inspiring messages set the tone for the seminar."

"Joy McMillon, of Oklahoma City taught the ladies classes titled "Submission in the Scriptures," "Self-Esteem and Happy Marriages," "Developing a Christian Disposition," and Fruitful Frustration"."

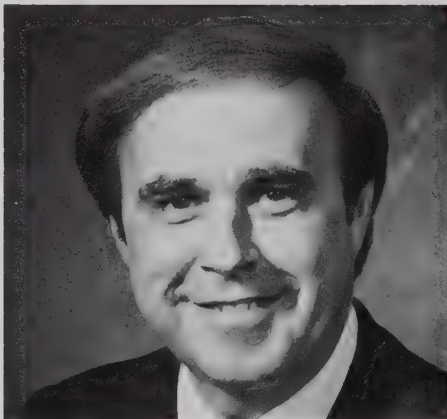

"Joy is an acclaimed author, has been featured on many lectureships and retreat programs. Her classes offered Biblical principals applied practically to daily circumstances."

"Milton Jones serves as preacher for the Northwest Church of Christ in Seattle, Washington. His series of classes "Disciplining," "The Multiplying Ministry", "Disciplining-Levels of Relationships" were based on his recent book *Discipline*."

"There were many other classes and lecturers, including Wally Wilkerson, Don Williams, Dick Roly, David Lewis, Randy Gill, Mike Sublett, John Paul Blankenship, Ken Dye, Emily Lemley and Rick Atchley."

"An interesting feature of the seminar was a panel of college students discussing and answering questions based on their involvement in the local high school programs and their relationship with their youth ministers and elders."

— from *The Duster*

John Paul Blankenship

John Paul Blankenship said "I think the Youth Ministers Seminar has a strong effect and is one of the greatest things we offer to the youth ministers. It makes them excited in what they are doing and they learn to appreciate LCC."

"The seminar offers times for relaxing and sharing. There are great opportunities to learn, study, and grow and challenging thoughts and opinions in order to more clearly see God."

WORLD MISSION WORKSHOP

The college World Mission Workshop was conducted on the LCC campus October 21-23, 1983. About 800 students from across the United States joined LCC students in the inspirational event. Several LCC students worked on various committees to ensure the success of this year's workshop. The featured speakers for the event were Gary Evans, Hilton Merritt, Milton Jones, Clyde Austin, Glenn Owen, Pat Hile, Carl Mitchell and Earl Edwards.

High School Day was also scheduled for the same weekend to make a busy time on campus with lots of visitors to entertain.

FALL GRADUATION

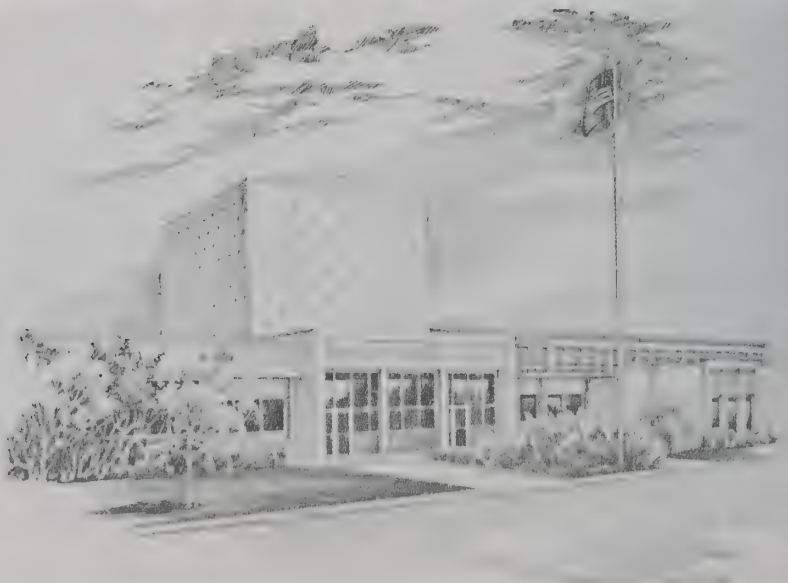

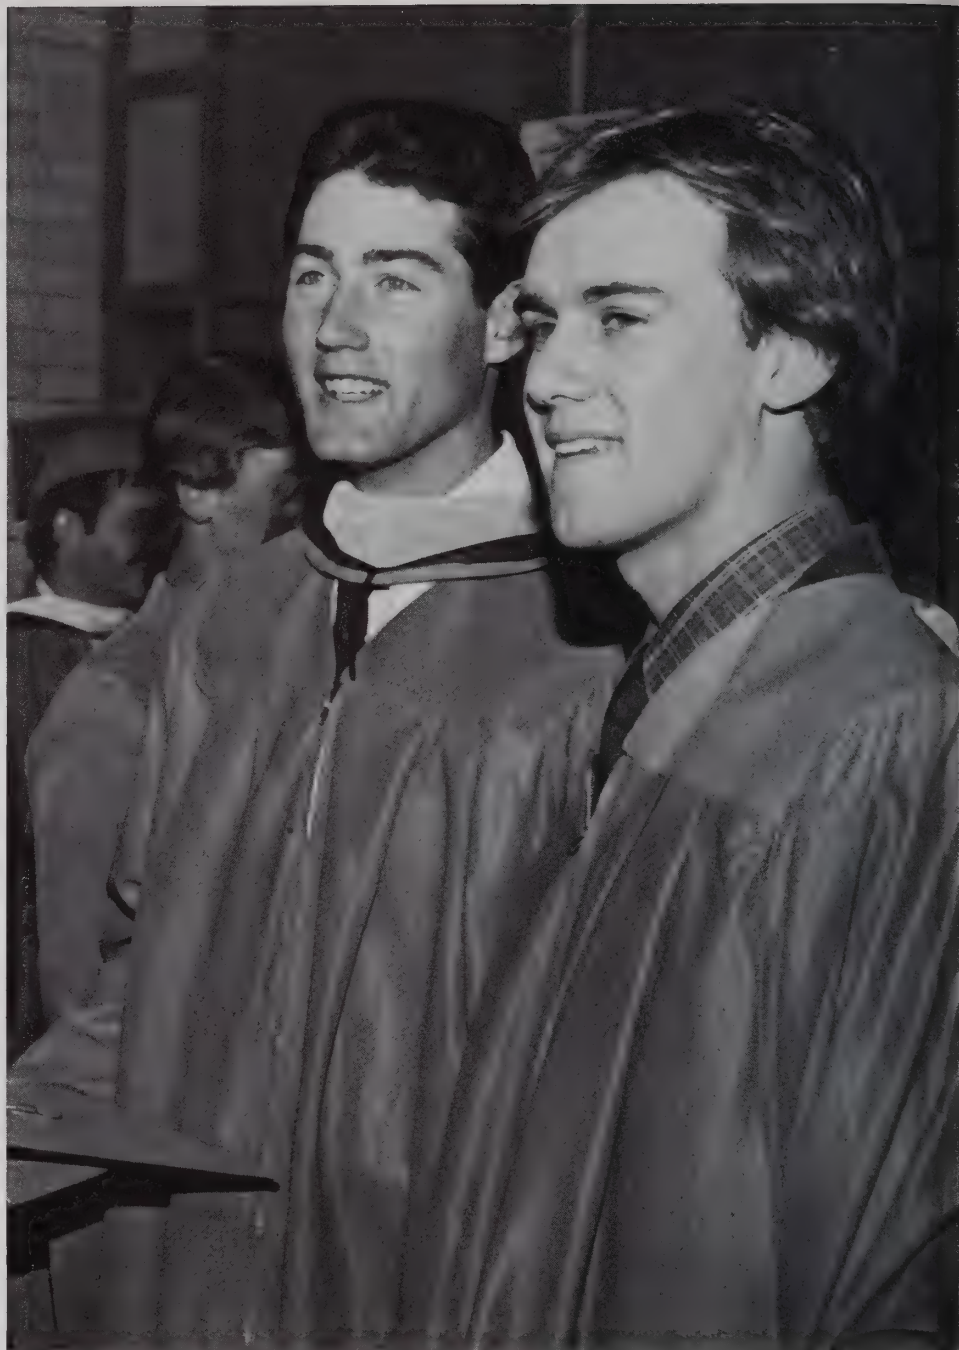

Thirty-eight graduates participated in the Fall Graduation Exercises, December 9 and 10. Special guests, Milton B. Fletcher and Louie Welch were the keynote speakers. Fletcher delivered the Baccalaureate address with Welch the Commencement address. Both men were awarded the Honorary Doctor of Laws degree from LCC.

Among the graduates, seven were recognized for maintaining a grade point average of 3.5 or higher. These were Sharon Massey of Odessa, Larry Wilson of Lubbock, Karen Viertal of Albany, Mike Brown of Dumas, Brent Clark of Dumas, Stephanie Estes of Midland, and Susan Miller of San Pablo, California. The Honor Graduate was Quentin Mimms with a perfect 4.0 GPA for four years of study.

Graduates and their families were invited to a luncheon with faculty and administrators following commencement.

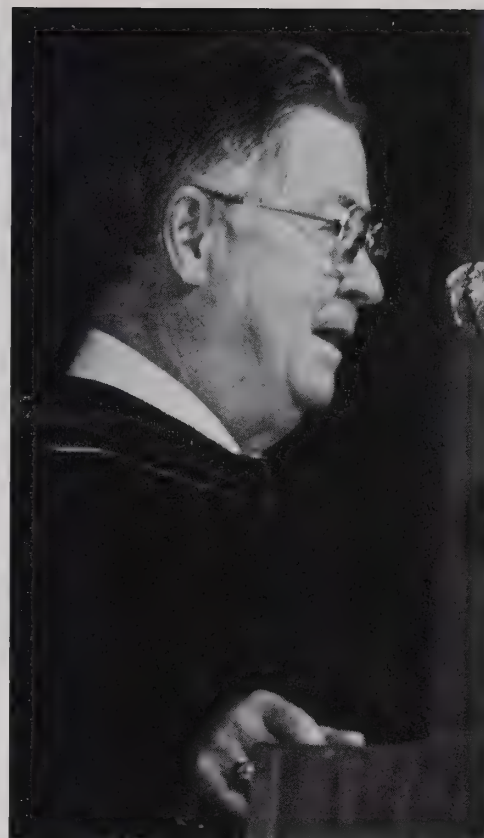

Louie Welch, president and CEO of the Houston Chamber of Commerce and former Houston Mayor and graduate of ACU, issued several challenges to the graduates. He said that we must maintain the freedom of equal opportunity. His concluding challenge was to restore the goodness and greatness to America.

Milton Fletcher, president of Michigan Christian College, and native of Hamlin and a graduate of ACU, encouraged the graduates to determine the "mission" in their lives. He noted that mission is an essential ingredient in every successful venture.

"OUR TOWN"

Lamar Thompkins, writing in *The Duster*, notes that Dr. Don Williams, Director of Theater at LCC, took a different approach in selecting Thornton Wilder's "Our Town" for production during the Spring semester. Thompkins writes, "Instead of examining a historic or global issue, the play deals with the flow of time in a small community. Dr. Williams explains Wilder's craft by saying: 'The play is a look at life at the turn of the century, which is symbolic of the world. The author shows how life escapes us. We don't take time for our families, and he points this out particularly well in the final scene when the heroine wishes to leave her grave to relive her 12th birthday.' He went on to note that certain words like 'thousands' and 'millions' emphasize the importance of both time and relationships in the play. Considering the small-town background of many of our students, the audience will easily relate to the atmosphere and the message of the play."

HOMECOMING 1984

Homecoming returned to the Spring semester this year. It was held in conjunction with Master Follies, February 10 and 11, 1984. The main attraction was the Follies at 8:00 the first night. On Saturday there was a continental breakfast served in connection with registration at 9:00. At 10:00 the annual Homecoming Chapel was conducted by Ron Clem, a newly elected member of the Board of Trustees and an alumnus of LCC. Both choruses sang a combined concert.

At 11:30 various social clubs held luncheons for their ex-members.

At 1:00 class reunions for 1959, '64 '69, '74, and '79 brought people together who had been here at five year intervals.

The ex-students were then entertained with basketball games in the Field House by the Women's and Men's teams.

Gary Evans spoke at the Alumni Dinner at 6:00.

SPRING GRADUATION 1984

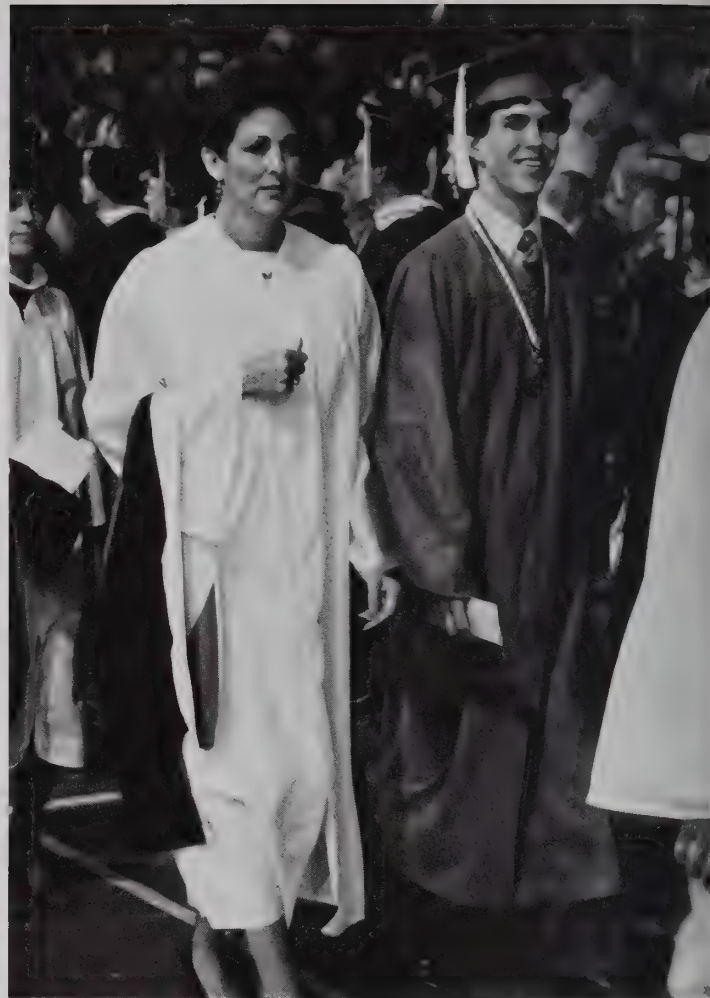

Larry Roberts, President of Northeastern Christian Junior College delivered the Baccalaureate Sermon for 105 Spring and August graduates during exercises conducted in Moody Auditorium on April 27, 1984 at 10:00 A.M.

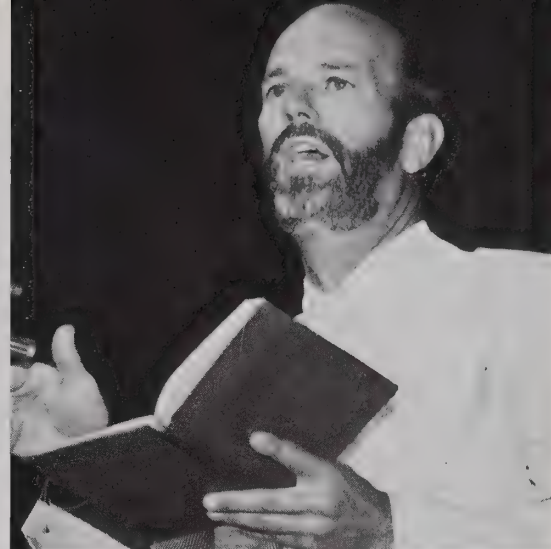

Mayor Alan Henry of Lubbock brought the Commencement Address in the Lubbock Christian Field House the next morning at 10:30 A.M. At Commencement honorary doctorates were given by the LCC Board of Trustees to both Mr. Roberts and Mr. Henry.

The A Cappella and Meistersinger Choruses sang for the ceremonies and the Royal Blue Band played the Prelude and Processional and the Recessional. The graduates were inducted into the Alumni Association by Foy Mills.

"CHAP BOWL" FOOTBALL GAME

Early in the Spring Semester, the men of Kyodia sponsored a football game in Lena Stephens field to raise money for the club and to give the men at LCC the chance to suit up in full pads and remember their days of glory at LCC or on their High School team.

Two teams were made up from clubs and independents. One team took the name "Cowboys" and the other took the name "The Indians." The social club Cowboys were led on offense by Leslie Winegeart as quarterback and the independent Indians were led by William Sneed as quarterback. Coaches for the two teams were Gary Hix and Stan Caffey of Lubbock Christian High School.

CHAP SNAP

J. Lee Roberts' first trip to Europe was as an infantryman during the Belgian "Battle of the Bulge." When World War I ended, he studied art in the University of Brighton in England. Later he returned to study art in Paris under the French painter, Fernand Leger. At the same time he helped start a French congregation with missionaries from Abilene, Texas.

There in Paris he met an American girl whose parents worked in Europe, and he married her in Sceaux, a suburb of Paris. Upon graduation, he taught art at Harding University, but moved in 1954 to Liege, Belgium to work with the French speaking church there. His sons attended school there, and his daughter Debbie was born there. After twelve years, he and his family returned to the United States to teach at LCC, and he returns occasionally to Europe to visit and encourage the churches that he loves.

Forrest Whitlow served twenty-seven years in the U.S. Air Force prior to his retirement. After basic training, he worked as an aircraft and engine mechanic before entering the Aviation Cadet program, where he completed pilot training. He was a jet fighter pilot and instructor pilot at the Fighter Weapons School at Nellis AFB, Nevada. While at Nellis AFB, he served a tour of duty with the USAF Aerial Demonstration Team — THE THUNDERBIRDS. He flew the right wing and slot positions. He attended LCC as a student, for two years, before becoming the Bookstore Manager, and Director of the Student Life Building.

I WOULD LIKE TO THANK EVERYONE WHO HELPED TO PUT THIS ANNUAL TOGETHER. THERE ARE A LOT OF "HELPERS" BESIDES THOSE ON THE STAFF, AND THEY RECEIVE MY WARMEST THANKS. THANK YOU ESPECIALLY TO MY DADDY, OUR SPONSOR MR. BURCHAM, FOR HIS LOVE AND PATIENCE AND TREMENDOUS HELP. I CAN'T WAIT UNTIL NEXT YEAR.
